Vice President's Message

It is a player's responsibility, not their playing partners, to post ALL of eligible scores as soon as practical after a round.

This means you should post the score, corrected for maximum hole scores, immediately (not later than 24 hours) after you complete a round. During COVID it can only be done via the Internet.

You should also post scores for groups like Senior Golfers of NM who do not post scores for their players. Be aware that many other groups like Roadrunners do post most scores for their players. If they do not, then you are responsible for doing it.

The Players Club will post all eligible Santa Ana tournament scores to GHIN.

Here is a great video that explains how to use the GHIN app.

<https://www.youtube.com/watch?v=w0dCR751P60>

Stay healthy, have fun on the course, wear that mask around the clubhouse, and remember to post all of your scores.

Warren Von Worley
Vice President, SAPC

From the Tournament Director

Club Championship, September 19th & 20th Saturday/Sunday SAGC
Individual Tournament

CLUB CHAMPION is the lowest gross from the blue flights

The Committee recommends that a player play tournaments from the tees they normally play from in daily play which should give them at least 6 scores from those tees that count for their handicap index. In any handicap tournament, a player may play from any teeing ground (blue, white or green); however, if a player does not have at least 6 scores that count from the selected teeing ground, they may still play from the selected tees except that the *Committee* will decide the appropriate handicap stroke deduction from their course handicap. This could be anywhere from a 1-4 stroke reduction depending on the players circumstances and playing history. This reduction will be for the current tournament only and it is not negotiable. A player may always move back from green to white or blue or from white to blue except that for blue tees a 16 handicap or less is required.

Tournament Flights and Payouts: We encourage eligible SAGC players to enter the blue/blue gross/blue hybrid/white gross flights to increase the flight size and the winning payouts. If there are 2 or fewer blue gross/blue hybrid/white gross only participants, then those players will be moved into the first net flight and there will be no gross payout. The *Committee* will attempt to keep the flight sizes from 8-12 players with handicaps within 5 strokes in each flight but that is not a hard requirement. Approximately one third of each flight should place in the prize money. Ties for gross and net prizes will be broken using a scorecard playoff starting on hole 18 and then going backward.

Sat pairings will be by flights. Sun pairings will be by place in the flights

Entry Fee: \$50.00 per person LUNCH will be provided on both days

Entry Deadline: All entries must be received by September 16th Wednesday by 5pm

Saturday tee times will be emailed. Sunday tee times will be emailed Sat afternoon. The tee times will be on the web at mynewmexicogolf.com or call the pro shop.
